Criteria for passing the final examination or obtaining credit for the course or module	
In order to obtain a passing grade, a minimum of 60% correctness in presented material should be obtained.	
Detailed OHS rules applicable during classes taught at the Faculty unit	
During classes, a student must not leave the place designated by the course schedule without the consent of the teaching assistant. In the event of any danger or accident during classes, the student must inform the instructor. If a student leaves the classroom, e.g. to the toilet, and does not return or returns after a very long time, this fact should be noted in the attendance chart (for further procedures, i.e. the consequences of the behaviour).
